Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, DISH Network L.L.C. ("DISH Network") submits this letter summarizing a meeting on Wednesday, September 28, 2011 with Edward Lazarus, Chief of Staff for Chairman Genachowski, and Zac Katz, Chief Counsel and Senior Legal Advisor for Chairman Genachowski. Present at the meeting on behalf of DISH Network were Jeffrey Blum, Senior Vice President and Deputy General Counsel; Alison Minea, Corporate Counsel; and David Goodfriend, outside counsel.

During the meeting, DISH Network discussed its serious concerns with the so-called "ABC Plan" for Universal Service Fund reform advanced by incumbent local exchange carriers ("ILECs"). The ABC Plan ultimately favors ILECs (who are the plan's principal supporters) at the expense of other broadband technologies like satellite broadband. The ABC Plan guarantees ILECs a "right of first refusal" with respect to (or even exclusive access to) \$4.2 billion in High-Cost support, relegates competitive providers to a separate and significantly smaller fund, and rigs the bidding process by defining the boundaries of supported areas according to ILEC wire centers. The ABC Plan would misallocate USF support, undermine competition, and deprive rural consumers of the high-quality and cost-effective services offered by competitive providers. DISH Network agrees that USF reform is needed, but any reform should be technology neutral, award funds to the most cost-effective provider, and facilitate competitive entry.

Respectfully submitted,

/s/ Jeffrey H. Blum
